

## South West Coast Path †

Kit Johnstone, Ph.D.  
Swanage, 2007

7 Coast paths are easy you never lose your way,  
But it's dangerous and you drown may  
Unless you take care and remain awake wide,  
Never walk below cliffs and be caught by the tide.

Kit Johnstone, Ph.D.  
Wilderness, 2010

---

† Bournemouth and Poole have since April 1997 become separate unitary authorities.
